

CHAPERONE GUIDE

Our guided Museum tour covers Arizona's journey to statehood and supports Arizona Social Studies Standards with an emphasis on civics, history and government. At the time of booking, field trip organizers have the option to add a legislative tour that immediately follows the Museum tour. Organizers may also opt for students to explore additional exhibits in the Museum with their chaperones. When guided tours are taking place, we ask that free exploration groups avoid the guided tour area. Use the map below to note the exhibits reserved for the guided tour path and those available for chaperone-guided free exploration. See the reverse side of this page for exhibit highlights.
