

Fill out the boxes as you find things in the museum that match each description. Draw a picture of the item or write its name in the box.

Play as a team: Every box has more than one item in the museum that fits the description, see if everyone in your team can find a different item.

Find something...

Hanging on a wall	Colorful	Made of cloth	Bigger than you
That can make noise	Metal	Relating to water	Round
That represents Arizona	Shiny	You have never seen before	Rusty
Older than the building	Smaller than you	That moves	You wish you could take home
Hint: the building was dedicated in 1901
